

Nederweert, The Netherlands – 31 March, 2025

It is with a heavy heart that we must announce that NICES 2025 will not take place. Despite our immense efforts and enthusiasm to organise another fantastic edition, we have encountered several challenges that prevent us from delivering the high-quality camp that our participating groups deserve.

NICES stands for connection, adventure, and exchange between scouts from all over Europe. Over the past period, we have seen great enthusiasm from groups from various countries. This makes it even more difficult for us to make this decision.

Cancelling NICES has been anything but easy. We have carefully considered all options. Due to internal changes within our organisation and a lower number of participants and volunteers, it is simply not feasible to proceed with this edition. Under these circumstances, we cannot provide the unique experience which makes NICES so special and participants may expect from us.

This is certainly not the news we wanted to share. However, we remain committed to making NICES possible again and hope to welcome everyone back at a future edition.

As an independent organisation, entirely run by volunteers, we can only exist thanks to their dedication and commitment. We want to express our heartfelt gratitude to everyone who has contributed, registered as a participant or crew member, or shown interest in NICES. Your support and enthusiasm mean the world to us.

Scout greetings,

Your NICES Organisation

Frank, Bart, Danny, Mark, Chris, Stefan, Martijn & Mathijs
